Greetings from the NAWIC South Atlantic Region!

Is the female workforce increasingly essential to the growth of your organization? Would you like a unique opportunity to be seen as a forward-looking industry leader? If so, then I invite you to consider being a sponsor of the NAWIC South Atlantic Region Spring Forum 2020.

Hosted by the Richmond, VA #141 and Roanoke Valley #226 Chapters, it will take place March 27<sup>th</sup> and 28<sup>th</sup>, 2019 at the Stonewall Jackson Hotel & Conference Center in Staunton, Virginia. The theme for this year's conference is **Connect-Grow-Share** – **connect** with others, **grow** your knowledge, and **share** your passion. The purpose is to highlight the roles women play in the world of construction, coach them on everyday obstacles encountered on the job, and hone soft skills to strengthen and amplify their success in the construction industry.

NAWIC members are women who hold positions in diverse fields including architecture, general contractors, subcontracting, material suppliers, engineers, construction news services, and construction trade associations. Currently, there are more than 913,000 women employed in construction. Since becoming a national organization in 1955, we have grown from 16 founding members to more than 6,000 members throughout the United States and Canada. We even have a presence in the UK, Australia, New Zealand, and South Africa.

As a sponsor for the South Atlantic Regional Spring Forum you are supporting 13 regional chapters for an event that will host over 120 members and guests. The sponsorship levels and details are attached for your review.

To allow time for production of material containing sponsorship information, we ask that all commitments be made no later than February 15<sup>th</sup>.
