

2018 TOUCH-A-TRUCK PARTICIPANTS & SPONSORS:

Hosted By:

The National Association of Women in Construction is an organization of women whose core purpose is to enhance the success of women in the construction industry. Our local chapter here in the Piedmont Triad Area of North Carolina offers networking and opportunities to members and other women in all facets of the construction industry. NAWIC is the voice of women in construction around the world and The Piedmont Chapter is the voice for women in construction throughout the Piedmont Triad Area of North Carolina.
