July 2018

Dear Potential Members,

On behalf of the National Board, the South Atlantic Region, and the Columbia, SC, Chapter #113, of the National Association of Women in Construction (NAWIC), we are beyond excited to see such a positive response to recent outreach efforts to organize a new Chapter serving the Berkeley-Charleston-Dorchester county area. I have been a member of NAWIC for over twenty years and I continue to be amazed by how much a group of women can accomplish when they work together.

**The purpose of NAWIC is to enhance the success of women in the construction industry.** Since being founded in 1955, the organization has grown nationwide with international affiliates in various countries across the globe. Your membership gives you access to a vast network, mentoring opportunities, continuing education credits, leadership training, brand marketing, industry news, technical support, discounts on goods and services, employee recruiting, and community outreach initiatives. Most importantly, the relationships that foster from this organization are invaluable.

*“Show me a successful individual and I’ll show you someone who had real positive influences in his or her life. I don’t care what you do for a living—if you do it well I’m sure there was someone cheering you on or showing the way.” — Denzel Washington*

The best way to enhance the success of women is to be apart of an organization that is organized by women *for* women and we want women like you! There is still time to join – just fill out and return the enclosed fourth quarter membership application. If you have any questions, please do not hesitate to call me at 850-556-1470.

Have a beautiful day,

Kristey B. Stewart, CIT  
South Atlantic Region Director  
2017-2019
